## The Year 2012

Dear Friends and Supporters

Asalam-u-Alaikum

The year 2012 has been both busy and exciting for HELP IN NEED as we celebrated the successful implementation of several development projects in our grassroot communities. HIN played a key role in the sector of education, orphan support and emergency relief and rehabilitation. These projects include the activities from the refurbished and refurbishment of destroyed schools in Shangla ( due to war and natural disaster etc), enrollment of children who were unable for attend schools, teacher training, distribution of cash & sweaters to the deserving orphan and provision of one & two rooms houses for the flood affected in Charsadda.

We are proud that our Organization has expanded its programs and outreach due to the dedicated efforts and tireless commitment of our supporters. With this issue of newsletter we are sharing our various works during the months of October December 2012, with pictorial of our various works done. You will also find the story of Muhammad Ilyas Khan from Ghazo Dheri (Charsadda).

We hope that you will enjoy reading this edition of our newsletter. Please send your feedback and suggestions at [info@helpinneed.org](mailto:info@helpinneed.org) In lasts a sincere and heartfelt thank you from all of us at Help In Need (HIN). We wish you a blessed and joyous 2013!

## Rebuilding Lives

Muhammad Ilyas khan a disable resident (paralyzed from both legs) of village Ghazo Dheri (Charsadda) was living a very simple and poor life along with his six children and wife to look after him. But the situation had made his life more miserable after the floods; His small mud house along with all belongings had been

**Zabiha Project with IGMG HASENE & ICNA Relief CANADA**

Left with no choice and he started living temporarily in a small house shared by his brother. His only source of income was a small tuck shop in village. He wanted to re-build his small mud house again, but his circumstances did not permit him to do so. His future seemed very uncertain.

In January 2012, under the project of "Construction of houses for Flood Effected People in Charsadda" while carrying out a survey and assessment he was enlist as the most deserving beneficiary and HIN constructed one room house with attach bath for him. When the constructed house was handed over to Mr. Muhammad ilyas his happiness knew no bound.

***"HIN has not only provided me a house about which I never dreamed; they have saved my family said Muhammad Ilyas". "I do not have words to thank them, he added with tears in his eyes."***

Every year Help In Need performs Qurbani across the country with the help of donor organizations and individuals. The basic aim of the Qurbani is to distribute meat among the deprived families living in remote rural areas that are mostly ignored, especially those difficult to reach out.

This year during Eid ul Adha, total 750 animals (cows/oxen) & 135 Goats were slaughtered and meat (5 kg to each family) was distributed among the most vulnerable families (19,538) in these areas. The objective of this Qurbani Program 2012 was to give a sense of happiness and unity of Muslim Ummah and brotherhood by providing Qurbani meat to the most vulnerable families. Seven member delegation from IGMG Hasene shows there devotion and love for the people of Pakistan on the holy festival. The beneficiaries were selected from 10 districts of Punjab, KPK, Sindh and AJK.

**Successful Completion of 90 Houses in Charsadda**

Under the flood rehabilitation and reconstruction phase Help In Need along with its partner organization Diakonie Katastrophenhilfe successfully constructed 90 houses along with two Basic Health Units with the involvement of local community in Charsadda. In result (90 Houses & 02 Basic Health Units) more than 20680 individual are benefited directly and indirectly. After the completion of successful completion of construction of houses project in charsadda, a delegation from Diakonie Katastrophenhilfe under the leadership of Ms. Caroline Huglin (Project Officer DKH Headquarter), accompanied by Mr. Horst Indorf (Project Manager Construction), and other senior staff visited to field office Charsadda and project area.

**Distribution of Warm Cloths Among Orphans**

HIN feels that taking care of the orphans is our religious, social and moral responsibility. HIN has adopted a unique approach to empower the orphan children through education, healthcare and conductive custodianship. On December 29, 2012 ceremony of warm cloths distribution among orphans, held at HIN field office at Fateh Jang.

Mr. Shaukat Hussain & Abdul Ghani directors from ICNA Relief CANADA along with Dr. M. A Matin, Managing Director HIN participated and distributed sweaters among the 50 orphan children's. Mr. Shaukat Hussain, Director ICNA Relief CANADA admired the services of HIN.

On same day HIN in collaboration with ICNA Relief Canada also distributed Rs. 4,500 & Sweaters among 150 orphan students in Bagh. Distribution ceremony was arranged at Al-Noor Hotel Bagh.

**Successful Completion of Welcome to School Initiative Project in Shangla**

“Welcome to School Initiative” Project in district Shangala (KPK), started on 02 June, 2010 with the aims to “Equitable access to universal, free and compulsory quality basic education for all children”. The project success full completion may not be possible without the contribution of local community and authorities and coordination and cooperation during the project cycle (June 2010 to Dec 2012).

On successful completion of the project a ground breaking ceremony was held at Besham Continental in Union Council Besham Shangla. General Manager along with other distinguished guest from different organization & govt. departments graced the ceremony.

On the occasion Project Manager Nasir Ahmad expressed special thanks to all stake holder of the project. The major achievements of the project were:

- Increased enrollment up to 4500
- Turned 22 non-functional schools into functional
- Participation in Parents Teacher Councils (PTCs) remarkably increased for these schools
- Learning environment improved in 158 schools
- More the 500 teachers trained
- Local economies increased through involvement of local labor and resources.
